Subject: Clarification Regarding Surname in Passport Application **file no BN79C5104074523**

Dear Sir/Madam,

I hope this letter finds you well. I am writing to address a discrepancy in my recent passport application regarding my surname. In the application, I have mentioned my surname as "B Patil," and I would like to clarify this matter.

I want to emphasize that the letter "B" is not a middle name or initial nor the name of my husband or father but is, in fact, an integral part of my surname. My full surname is "Biradar Patil," and traditionally, it is represented with the initial "B" followed by "Patil." Unfortunately, all the documents are described in the same format and do not have an official document with the expansion; therefore, I had to enter my surname as "B Patil."

All my official documents, including my PAN card, bank passbook and Aadhar card, consistently reflect my surname as "B Patil." I have never used "Biradar Patil" in any official documentation. My details are as follows:

Name: Satish

Father name: Mallappa B Patil

Mother Name: Lalitha

Surname: B Patil

I understand the importance of consistency in official documents. I want to assure you that I intend to maintain uniformity across all records. Therefore, I kindly request that my passport be issued with the surname "B Patil" to align with my existing records.

I hope this letter will clarify the discrepancy and help you process my passport application accurately. I have attached documents. If any additional information or documentation is needed, please do contact me at the above given address or email : [satishpatilmlb@gmail.com](mailto:satishpatilmlb@gmail.com)

Thank you for your attention to this matter. I appreciate your assistance in ensuring the accuracy of my passport details.

Sincerely,

(Satish Mallappa B Patil)
